

MIRROR

PETALUMA GAP CHARDONNAY 2019

WINEMAKING:

Hand harvested from SE facing vines on a gentle slope of the Calesa Vineyard in the Petaluma Gap AVA of the Sonoma Coast, whole clusters of the Clone 17 Chardonnay are carefully sorted and delicately pressed. Lush mouth feel and complex structure are augmented through barrel fermentation over several months in a cool cellar, sur lie with frequent stirring. An extended and complete malo-lactic fermentation follows through the following summer, for added depth.

TASTING NOTES:

The 2019 Mirror Chardonnay catches the sun with beautiful straw-like hues that recall the rolling hills of Petaluma Gap from which it comes. A perfect expression of the varietal's potential on the Sonoma Coast, it's nose dances with lemon tart, crème brûlée, and tangerine skins. Generous depth and hydraulic mouthfeel leave a lasting impression of tropical pineapple and sliced green apple on the palate.

TECHNICAL DATA:

Varietal: 100% Chardonnay
Vineyard: Calesa Vineyard
Appellation: Petaluma Gap, Sonoma Coast
Alcohol: 14.0%
pH: 3.46
Harvest Date: September 19, 2019
Release Date: March 25, 2021
Total Production: 115 cases
Retail: \$48.00 / 750 mL
